## Celebrate 63rd

Mr. and Mrs. Lester Crampton of Pine Island Road, Mattapoisett, enjoyed their 63rd wedding anniversary on Sunday as Mr. Crampton also observed his 85th birthday. The Cramptons are Mattapoisett natives and have lived their whole married life in the same neighborhood starting as newlyweds in a home near their present residence. They were married in the Mattapoisett Congregational Church parish hall by the Rev. Julian Tuttle. Mr. Crampton had a 40-year career in Mattapoisett public service. He served his first year as auditor and then was elected

to 39 consecutive years on the Board of Selectmen before he retired. The Cramptons had 2 sons and a daughter; they have 6 grandchildren and 8 great grandchildren.

The Cramptons spent their anniversary Sunday at home. Mr. Crampton worked in the garden with his son, as overseer of the work,

## Gong Show

THE ONLY GAME IN TOWN!

The Scholarship Gong Show was the only Game in Town last Saturday night as a capacity crowd filled the ORRHS auditorium. Almost 100 friends and supporters of the event were turned away at the door with deep regrets by the Woman's Club who were most anxious to accommodate all but were bound by the Fire Marshall's regulations. And the capacity audience proved to be a lively one as they cheered the vivacious antics of Moderator John Atkinson who was certainly in his element keeping the 4 rambunctious judges in line with a handy quip or gently chastising them for an over-zealous Gong. Atkinson took his share of 'comeuppance' too as he was pummeled by contestants and finally carried off in the Lions Club coffin of haunted house fame. Looking for "pie in the sky" Atkinson got pie-in-the-eye as did funny girl Joanne Dunn who complemented his routine.

# Ready for New SHOCKS?

## BE ALERT FOR THE SIGNS -

**HARD TO HANDLE** Vehicles .. weak worn shock absorbers cause abnormal drift and sway; **UNEVEN TIRE WEAR** .. may indicate poor alignment or worn shock absorbers; **LEAKING SHOCKS** .. shocks cannot be re-filled, they should be replaced; **SAGGING SPRINGS** .. springs may sag because good shocks weren't there to absorb vibration; **TOPPING or BOTTOMING OUT**

SAGGING SPRINGS

"HARD-TO-HANDLE VEHICLES"

### MAKE THE SIMPLE "BOUNCE" TEST

Any of the symptoms of worn shocks mentioned here could call for shock replacement. Make the bounce test by bouncing the vehicle up and down three or four times by putting weight on either bumper. After release, continued free rocking of the vehicle, of more than two cycles, indicates loss of shock absorber function. The bounce test is a simple key to uncovering more bad shocks

cup. Stage front, close to the audience, they charmed everyone with "You Light Up My Life". Several super acts scoring 38-39 out of 40 points were second place contenders. Anne Worden's "Charleston" and Nancy Moore's rendition of "People" were professional quality indeed. Rene Fernandez and Chris Gaucher were also near winners with a lovely piano and vocal arrangement. Everyone appreciated the doctor from New Bedford singing "I Am Music". Kristin Langhoff, the 10-year old flutist, demonstrated remarkable stage presence and gave a fine performance. Ken Stickney spellbound the audience singing "I Wish I Were Single Again" and everyone over 18 really enjoyed Jack Hall's "Ole Man River". Give those youngsters time!

### HOLLY BELLES WIN ZANY TROPHY

The 4-man Can Can line of Charlie Morse,

Dick Searle, Lee Weymouth and Phil Murray danced their way to instant stardom and a trophy even inspiring Judges Clara Morgan and Claire Keene to do some high stepping. Lois Murray's opera buffo was stifled by Judge Sonny Costa while Judge John Pandolfi tried to find the good in each act. The dignified Town Selectmen, finally exasperated with Jim Huntoon's antics, tarred and feathered him on the spot much to the hysterical delight of the audience.

# The Shultzes would much rather follow our red brick path.

Both Herb and Cynthia Shultz say they like banking with us because of the many, many services we provide and the way we treat them.

Whether they bank inside, or outside at one of our drive-up windows, doesn't matter. The Shultzes, like so many of our customers, would rather take a few minutes longer to drive to our place than bank at several others closer to home.

The way we see it — just like the Shultzes of North Dartmouth — there are banks and there is our bank.

Even the younger members of the family — Scott, Mike and Abigail — like banking with us.

The Rochester Lions Club, at a dinner meeting held at Monsour's Restaurant in Lakeville, inducted a record "single sitting" number of new members. Mr. Simmons is from the Dartmouth Club and is zone chairman in that area. He is a recipient of the Outstanding President's award and is campaigning with Rochesterite Harry Brown in the latter's endeavour to attain the office of District Governor (the district 33-S covers Southeastern Massachusetts). Mr. Simmons is Mr. Brown's prospective cabinet secretary. At this time tickets were issued for the Thanksgiving raffle featuring prizes of a basket containing a full Thanksgiving dinner for five, a twenty pound turkey and a bottle of holiday cheer. Anyone interested in tickets call Fred Underhill, Jr., King Lion, at 763-5001. The Lions support not only the local community but the internationally famous Eye Research Center

## Two Steps Forward

Editorial, D.C.J.

The vast majority of Americans oppose the giveaway of the Panama Canal Zone - the silent majority. This issue could well have the most dangerous consequences of any modern act of the United States. Possession is still 9 points of the law. We have legitimate possession and must hold it in order to be in a position to defend it.

In 1903 the United States bought out the bankrupt French rights to the canal for \$40,000,000 for the original concession granted by Columbia. An additional payment of \$10,000,000 was made to the New Republic of Panama formed by revolt from Columbia when Panama declared independence on November 3, 1903. This was no limited right and Panama has done very well with the generous share of the tolls and with the U.S. dollars which have always flowed into that country via the zone. It would not have a means of support with-

out the generous revenue received from the U.S. operation of this link between the Atlantic and Pacific. But, aside from those facts, I believe the Canal itself is not the main issue at stake. Communist theorists make no secret of their plans for expansion of that ideology. They've written the whole blueprint and seem to be on schedule. The classic procedure is 2 steps forward and one step back. President John Kennedy was tested in Cuba. The missiles were never the main issue for the Russians. They wanted a base in this hemisphere. So, they established Castro and installed missiles. One step plus another step. When confronted, the wily Khrushchev made a deal with Kennedy to guarantee the Communists the base they wanted 90 miles off our coast. They pulled out the missiles (one step back). The missile crisis was only the tip of that iceberg and Kennedy was taken like a rube.

The only argument that U.S. negotiators seem to give to justify the giveaway of the Canal Zone is that it can't be defended against terrorists. Absolutely right! Neither can New York City or any other city in the

United States. Shall we evacuate them all? It might be that we have a better chance of defending our U.S. cities if we are on the scene than if we are observing from Canada. While we are on the scene in the Canal Zone, we are not only in a position to secure the area against sneak terrorist attack but we are also in a position to monitor what

goes through the canal. If a convoy of Russian freighters enters the canal we can assure ourselves that they are carrying heavy machinery as the cargo list declares and not some dead-lie cargo.

The Russian Communist theorists have also written the following plans for the United States. They state that they will never have to confront the United States in direct military conflict. They wrote that all they have to do is surround the United States. They have written that if they cut the United States under its soft underbelly it will fall into their hand like an overripe fruit.

Can you imagine, in your wildest dreams, that the Russian government would give away a vital link between their 2 coasts and 2 oceans if they were in our shoes. No matter what our leaders say there is a lot of traffic through the Panama Canal and that traffic is life blood for our nation.

The American Legion is urging all members to contact their Senators and Representatives. Every single citizen should have and express an opinion on this issue.

## DUFF PLUMBING ANNOUNCES

We have added another truck to our fleet expressly for the Marion, Wareham & Rochester area residents. We have had such an increase in calls that we have decided to install a direct, toll-free "Hot Line" for these customers. We have our plumber, Chet, who is a local resident and knows the area well. He will have a well-stocked supply of plumbing needs right at hand.

Are you disappointed to find yourself waiting two days for a plumber, then have him arrive with a helper to carry the tool box, and receive a bill for two men? We pride ourselves on sending one man on service calls.

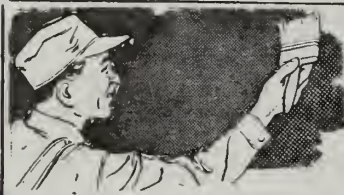

We take good care of our old customers; it's new customers we're looking for.

## Rochester Scouts

### SCOUTS VISIT HOUGH HOUSE

Nine scouts from Rochester Troop 31 trekked to Taunton November 4th to visit Hough House, the Girl Scout Service Center for Southeastern Massachusetts. There, the girls looked over memorabilia from the early days of Girl Scouting, browsed through council resource room and met to talk with a couple of the

people who organized the movement. Things the Cadettes found interesting included: uniforms worn by girls and leaders in the 1930's and 40's; letters penned by Juliette Lowe, founder of scouting in the U.S.A., to

### WINNER SCHOLARSHIP COMPETITION

Dori Anne Ripple has won the Century III Leaders Scholarship competition at Old Rochester Regional High School, according to Mr. David S. Hagen, principal.

The seventeen-year-old senior, daughter of Mr. and Mrs. David J. Ripple, Saunders Avenue, Mattapoisett, is now eligible to compete with other high school seniors throughout Massachusetts for one of two \$1,000 scholarships and also for a \$10,000 national scholarship that will be awarded in a conference of state winners in historic Colonial Williamsburg, Virginia.

Miss Ripple triumphed in the local phase of the Century III Leaders Scholarship Program, a national future studies, writing, citizenship, and current events awareness competition. To do this, she scored highest in a current events examination and the writing of a brief essay on America's needs and challenges for the future. The program is administered by the National Association of Secondary School Principals and funded by Shell Oil Company.

Runner-up in the competition at Old Rochester Regional High School is Judy Thomas, seventeen years old. Miss Thomas lives at 692 Mill Street, Marion.
